MOORGREEN

SEPTEMBER COTTAGE

145 Moorgreen, Newthorpe, Nottingham, NG16 2FF

Beginning life as farm workers cottages almost 300 years ago, this beautiful 3 bedroom detached cottage has been witness to the fabulous history of the area through the past owner's tales of encounters with DH Lawrence, memories of using the bridge over the brook as a bomb shelter during World War II or its time as a miners cottage. It has now been lovingly renovated and extended to create an inviting and well thought out family home.

Exemplary interior design is evident throughout the three reception rooms, dining kitchen and first floor accommodation whilst the property boasts some beautiful features such as exposed beams, delightful fireplaces and bespoke window shutters. Meticulously landscaped gardens offer multiple seating areas, a rolling lawn and useful outbuildings creating a private oasis overlooking the brook at the bottom of the garden, whilst timber framed garaging and the driveway provide ample parking space for multiple vehicles behind gates.
