The property opens into an inner hallway with stairs rising to the first floor. There's a bright and welcoming sitting room featuring an electric fireplace and pleasant views across the rear garden. The kitchen/breakfast room is fitted with a good range of wall and base units, and includes a gas cooker, washing machine, and space for a dining table. ### Continued Text & Directions

To the front, the garden features a patio area with flower beds and offers potential to create off-street parking (subject to the necessary consents), as seen elsewhere along the road. A wide side access leads through to the generous rear garden, which extends to approximately 100 feet in length and 30 feet in width. This private, south-facing space is mainly laid to lawn, bordered by flower beds, and includes both a shed and a greenhouse.

There is fantastic potential to extend the home to the rear or side (STPP), as well as an opportunity to modernise and reconfigure the existing layout to suit individual needs and tastes—making this an ideal property for those looking to add value and create a long-term family home.
