The property

4 Castle Street is a unique period property built in 1897, situated within the conservation area, a stone's throw from Warwick Castle. The property has been tastefully decorated to a high standard throughout and offers flexible accommodation over three floors plus a cellar. Although you're in the town centre, Castle Street enjoys a lovely quiet position and Pageant Gardens are opposite the property.

The front door leads into the entrance hall, off which there are two double bedrooms, one on either side, with sash windows facing the street. The cellar and a newly fitted shower room can be accessed from the hallway. There is an excellent open plan living/dining room beyond, French doors opening on to a rear courtyard garden, and a separate kitchen. The ground floor has been previously used as a self-contained flat for a family member so that it could be used for multi-generational living, as a teenage suite or the ample reception space could be converted into a large kitchen/dining room.

A staircase rises to the first-floor landing, leading to a grand drawing room with a front aspect, high ceilings, six sash windows and an open fire.

The modern kitchen/breakfast room has a range of contemporary units, granite worktops, a Belfast sink, a central breakfast bar and a door leading out to the roof terrace. If a buyer moved the kitchen downstairs, this could become a lovely principal bedroom suite, with the dining area becoming an en suite/dressing room.

On the first floor is a double bedroom with built-in cupboards and a generous, modern family bathroom with a free-standing bath and large walk-in shower. Upstairs, the principal suite has a split-level double bedroom, seating area, Velux Cabrio balcony and an en suite shower room.

Outside

The private, walled courtyard garden is accessed from the ground floor and is a perfect secluded area to entertain, featuring a covered patio, Astro turf lawn and well-stocked raised borders. There is gated access from the front of the property to the garden via a covered side passage.

From the kitchen, the roof garden is a good size featuring a decking area leading to a small Astro lawn and balcony overlooking the garden below. From here, there are lovely views across the rooftops of Warwick town centre.

Parking is permitted on-street (W2); further permits are available from the council to use carparks in the town. A free pass to Warwick Castle is also available.

Services

All mains services are connected to the property. Gas fired central heating.
