The property

3 Bothwell Gate was built in 2023 by Orpheus Properties, part of a small exclusive development of three bespoke properties located just off Shipston Road in a leafy setting within walking distance of the town centre and close to the Tramway.

This family home offers beautifully proportioned accommodation over two floors and has been finished to a high specification. The ground floor is heated by underfloor heating powered by an air-source heat pump.

Upstairs, there are radiators on the first floor and underfloor heating in all bathrooms and en suites.

The front door opens into the entrance hallway, which has oak flooring and a beautiful staircase with an oak handrail, newel posts and balustrade rising to a galleried landing.

The sitting room is a perfect size, has a front aspect, and has a log burner. There is a further reception room off the hallway that could be used as a study or playroom.

A lovely open-plan kitchen/dining/living room has tiled flooring with underfloor heating, quartz worktops and a peninsular island. Integrated appliances include an AEG oven, matching combi-oven/grill/microwave, induction hob, Quooker boiling tap, full-size fridge and separate freezer, dishwasher and wine cooler. There is space for a large dining table and a separate living area, with two sets of bifold doors opening on to the garden. The utility finish mirrors that of the kitchen with bespoke units and quartz worktops. There is an integrated washing machine and a separate tumble dryer.

The bedrooms are accessed off a galleried landing. There are two large suites, either of which could be used as the principal bedrooms as they both have Juliet balconies, dressing areas and en suite baths or showers. There are two further double bedrooms, which have fitted wardrobes and share the Jack and Jill shower room. The bathrooms upstairs are fitted with Roca sanitaryware and Hansgrohe taps.

Outside, the rear garden is landscaped with a large patio, ideal for entertaining. Wooden retaining sleepers divide the terrace, with steps leading up to the lawn. On the patio, there is low-level lighting, an electrical point and a water tap.

The property is accessed via a shared private road, and three cars can be parked in the driveway. The garage door is electronically operated, and there is a charging point and bollard lighting in the driveway.

The NHBC guarantee is valid until 2033.

Services

All mains services are connected to the property. Air source heat pump. NHBC guarantee valid until 2033. NACOSS approved intruder alarm system. High speed fibre broadband connection.
