DESCRIPTION

Hornbeam Paddocks is an excellent equestrian smallholding in a popular village, accessed via a stoned road which leads to the entrance of the yard. This peaceful and private site has all the facilities you would require with the benefit of the village amenities within walking distance.

This private site is located within close proximity to major motorway networks and equestrian facilities such as Solihull Riding Club, Swallowfield Equestrian and Moreton Morrell College.

There are four stables, including one foaling box and three further stables all with internal and external lighting and external electrical sockets. There is a securely fenced yard which consists of a tack room, stables, barn storage and feed room. There is an outside water tap on the yard, in the tack room and a further water tap in the front paddock. The land totals 7.6 acres with six field shelters, with all paddocks having access to self-filling water troughs.

There is a 40x20m all-weather manège topped with Flexiride® surface with surround lighting and drainage. Please note that the day cabin is not included in the sale and will be removed before completion. The touring and static caravans are no longer on site and do not form part of the sale.

There are two wooden field shelters; one is fitted with a utility containing cold water supply, WC shower, and and double level cold waterpond. There is solar PIR lighting throughout and a hardcore parking area for vehicles.

There is a public footpath to the far right-hand side of the land, which is identified on the boundary plan and included within the boundary.
