### Situation

Exton is a popular East Devon village on the banks of the Exe Estuary, between Exeter and Exmouth, and about midway between the villages of Topsham and Lympstone. In the village is a church, village hall, petrol station and the popular Puffing Billy gastro pub. There is an active community with clubs and societies and also a railway station on the branch line providing regular services between Exmouth and Exeter Central.

The Exe Estuary is one of the most important estuaries in Europe for wildlife, particularly birds, and includes sites such as Exminster Marshes and the Old Sludge Beds. Nearby Topsham is famed for its shipbuilding and maritime history and there are some delightful pubs, restaurants and cafés. The Exe Estuary Trail is a 16 mile, mainly flat, cycle and walkway all around the estuary, taking in Exton and several pretty villages including Topsham, Lympstone and Starcross and there are RSPB reserves near Topsham and Dawlish Warren. There are various ferries across the estuary, such as from Topsham to Turf Locks.

At nearby Exmouth is a sandy beach and marina providing facilities for sailing and other watersports.

Near Topsham is Dart's Farm shopping village, winners of the Farm Retail Awards best farm shop in the UK in 2025 and offering restaurants, cafes, shops, wellness spa etc.

The university and cathedral city of Exeter provides extensive shopping, cultural and sporting facilities, as well as private schools with Exeter School and The Maynard School and also Exeter College sixth form college. There is access on to the M5 motorway, station with mainline connections to London (Paddington and Waterloo) and an airport.

## The Last Resort
