(All distances are approximate)

Guide price: £995,000

SITUATION

South Milton is a small South Devon village within the South Hams Area of Outstanding Natural Beauty. In the village is a church and village hall and, about 1.5 miles away, is the stunning South Milton Beach, incorporating South Milton and Thurlestone Sands and a perfect spot for swimming, sunbathing, exploring rock pools etc.

Nearby is the village of Thurlestone, renowned for its gorgeous beaches, dramatic cliffs and lovely countryside. There is a links and cliff top golf course, primary school, the Thurlestone Spa Hotel, village pub, shop and post office and access onto the South West Coast Path, providing spectacular coastal walking.

The picturesque market town of Kingsbridge, at the head of the Kingsbridge Estuary, is known for its historic charm and possesses an eclectic selection of independent shops, cafés, pubs and restaurants, art galleries, cinema, leisure centre and swimming pool. The town also benefits from a Morrisons and Tesco for convenience shopping. There is a great Community School in Kingsbridge which also offers 6th form.

About 5 miles away is the popular seaside town of Salcombe, at the mouth of the estuary, with its sheltered waters and harbour and renowned for its golden beaches, sparkling waters and rich maritime heritage and is a hugely popular destination for sailing. There is a range of boutique shops, cafés, restaurants and pubs, as well as sailing and yacht clubs.

The South Hams is renowned for its beautiful rolling countryside scattered with pretty villages and towns and its spectacular coastline with beaches, estuaries, coves and rocky cliffs.

Only about 30 minutes drive away is the A38 dual carriageway, leading west to Plymouth, from where there are ferries to France and Spain, or east to the university and cathedral city of Exeter, where there is access on to the M5 motorway and an airport. The lovely town of Totnes, also about 30 minutes away, has a station with mainline connections to London (Paddington).

In summary, these houses offer peaceful village living with a private driveway into the development, but within close proximity to the local area’s stunning beaches and coastline, as well as some of its most popular towns.

THE PROPERTY

Redwing is a fine, detached new build house, designed with energy efficiency in mind, having air source heat pump, solar panels, electric car charging point and an EPC rating of A. There is fibre broadband and each property has a 10 year Build Zone warranty (from build completion).

The entrance hall leads into the inner hall, off which is the large, light living room with French doors to the terrace and garden. On the other side of the hall is the open plan kitchen/dining room, also with French doors to the terrace and gardens and fitted kitchen with integrated Neff appliances and Silestone (quartz) worktops. Off the kitchen is a lobby with doors to the utility room, shower room and study, which could serve as a 4th bedroom. There is under-floor heating throughout the ground floor.

On the first floor is the principal bedroom/shower room suite, two further bedrooms and family bathroom.

Outside there is an integral garage, plenty of parking to the front and an electric charging point. To the rear is the broad stone paved terrace and large lawned gardens, bisected by a small stream, traversed by a wooden footbridge.
