

N° 60

Wozon

APARTMENT 2.6

No. 60 CURZON

Originally the home of the famed Mirabelle restaurant, this iconic building has hosted many erudite figures over its illustrious history, maintaining an air of exclusivity and sophistication. Inspired by the Art Deco movement of the 1930s, the building stands out with its world-class architecture and thoughtfully designed interiors. Comprising 32 unique residences, ranging from spacious studios to luxurious penthouses, it offers the rare opportunity to experience life as a resident in this fashionable corner of Mayfair.

To showcase the elegance and essence of 60 Curzon, selected apartments have been styled by eminent interior designers to reflect their vision of refined urban living, highlighting what makes this residence and its surroundings truly special. Here we present the collaboration with Thierry Despont, for Apartment 2.6.

Apartment 2.6 is a refined example of Thierry Despont's design, blending timeless elegance with distinctive character. Every detail has been carefully considered to balance classic sophistication with unexpected touches.

Light-filled living spaces extend onto a spacious private terrace overlooking a south-facing courtyard garden, offering a peaceful retreat. Rich textures and impeccable finishes complement contemporary elements, creating a home that feels both lasting and effortlessly modern. Designed for those who value artistry in every detail, this apartment is more than a residence – it is the embodiment of exceptional living.

AMENITIES

The beautifully crafted interiors elevate the residents' areas, blending style, comfort, and practicality. A 24-hour concierge, round-the-clock security and valet parking in the private underground car park, ensure a seamless and welcoming experience every time you come home.

The pool and spa areas offer a tranquil retreat combining elegance and relaxation for residents to unwind, while the private meeting room provides a refined space for collaboration, blending functionality with exceptional style.
