The development

Discover contemporary living at One Carrington, offering 28 meticulously designed apartments for Mayfair's most discerning residents. These homes seamlessly blend clarity, sophistication, and individuality while respecting the conservation area's heritage. The architecture, with its discreet facade of brick and stone, harmoniously integrates into the neighbourhood.

Inside, you'll find a range of light-filled and spacious 1-to-4 bedroom residences, as well as a penthouse boasting panoramic views of London.

One Carrington is a Mayfair masterpiece, a decade in the making and at the heart of the £1bn redevelopment of the Piccadilly Estate under the stewardship of Motcomb Estates.

Located directly opposite the residences will be The Carrington, the first business-focused private members' club by Robin Birley, renowned proprietor of 5 Hertford Street and Oswald's. The Club layout will comprise a combination of drawing rooms and meeting/boardrooms of various sizes, as well as numerous individual work areas. Open workspaces, a formal restaurant, and a number of casual dining and bar areas, will make up the more communal areas of the building. The Club will also house Carrington Wellness, a large gym, treatment rooms, sauna/steam room and a 25-metre pool.

In addition to The Carrington a small exclusive network of private member's clubs are moments away. You can stroll to 5 Hertford Street in one minute, Mark's Club in four minutes and Oswald's in under eight minutes. The Twenty Two, Maison Estelle, Annabel's, George, The Arts Club are all in walking distance.
