THE TRANSFORMATION

Celebrating Hammersmith's rich cultural heritage, Civic Campus will breathe life back into this historic location, creating a new and vibrant destination abundant with opportunities for better living, entertainment, education and play.

MUSIC FOR THE SOUL

The new concert and theatre hall with bar and outdoor balcony is just one of many exciting new spaces to enjoy music and the arts, most of which are also available for private event hire.

DRINK AND DINE

Whether it's a morning coffee, alfresco dining with friends or an evening cocktail with river views you desire, Civic Campus has an option for every mood and time of day.

LIGHTS, CAMERA, ACTION

The new boutique five-screen cinema will show an exciting selection of art-house and blockbuster movies for all ages to enjoy, in the welcoming surrounds of a public outdoor piazza with food and drink venues.

THE PIAZZA

'Unity Square', the expansive public outdoor piazza designed by world-renowned landscape architects Gillespies, promises to bring Civic Campus to life with its inclusive seating, staging area for performances and events, café seating areas and welcoming spaces for community daily enjoyment. Unity Square also provides improved pedestrian links to Furnivall Gardens and the Thames riverfront.

Whether it's Wimbledon in summer, music and comedy festivals or a weekly produce market, a curated programme of events ensures this beautiful outdoor square will be the beating heart for residents and visitors alike.

GROW AND INSPIRE

With its innovative and flexible design that encourages enterprise and growth both today and into the future, Civic Campus will become home to a range of local start-up and entrepreneurial businesses, while providing art studios for creative businesses and study space for young people.

Great minds.
Thinking alike.
