1 Heath Hall Lodge

1 Heath Hall Lodge is a semi-detached cottage that was previously one of the lodge cottages for Heath Hall. The cottage, we are advised, dates back to the late 1800s and within the last 18 months has been extended and modernised by our client.

The substantial change was the addition of an orangery with a skylight that now provides lots of light and space for the kitchen/breakfast room. This is complemented by a newly installed shaker style kitchen with granite work surfaces and electric underfloor heating. Also on the ground floor are a sitting room with a fireplace and a study. On the first floor are two bedrooms (one with a fireplace) and two shower room/bathrooms.

Outbuildings

Adjacent to the house are two garden sheds, one of which acts as a utility room. At the base of the garden is a substantial brick built garden outbuilding, that offers further potential, subject to obtaining the usual planning consents.

Outside

To the front of the cottage is a gravelled parking area.

This is adjoined by an area of garden with a flower and shrub border with a pathway to the front porch.

Adjoining the back of the house is a paved terrace with a substantial grassed area beyond. Extending along the boundaries are substantial hedges and trees, including a Monkey Puzzle and there is a further vehicular access back onto the lane.
