Friars Croft

Friars Croft is an attractive 1920s tile-hung family home, which has been upgraded and extended by our client, and presents beautifully both internally and externally.

The property enjoys an abundance of natural light throughout due to its south-west orientation, as well a clever double height entrance hall created by our client. Another wonderful feature of the home is the modern, open-plan kitchen/breakfast room, with doors leading to the garden—created as part of a clever double-height extension.

The first floor offers a beautiful principal bedroom with a vaulted ceiling, built-in wardrobes, an en suite bathroom, and views over the rear garden. The guest bedroom also benefits from newly installed built-in wardrobes and an en suite. There are a further two double bedrooms, one single bedroom, and a family bathroom.

GARDENS & GROUNDS

Gardens and Grounds

Friars Croft is set back from the road behind electric gates and sits within a generous half an acre of mature, beautifully landscaped gardens. The gravel drive provides ample parking, and there is a large garage.

To the side of the property is an attractive oak-framed and wood-clad outbuilding with electricity and Wi-Fi, currently used as a home office and workshop.

The rear garden is stunning, with a large patio running the width of the house and flat lawns beyond. The gardens have been meticulously planted and maintained, featuring an array of mature plants, trees, specimen flowers, and established hedging.
