Lampkyns

Lampkyns is an attractive Grade II listed country house surrounded by beautiful gardens and grounds. Lampkyns dates back to 16th century, and is built in the Sussex vernacular style with red brick and tile hung roof. The current owners who have lived here for over 30 years, have enhanced the property. The enhancements include complete re-decoration, re-wiring, re-plumbing and addition of extra accommodation and conservatory. All of the works have been done very sympathetically to preserve the history and architectural style of the property. Interesting period features can be seen throughout the property including exposed beams, leaded windows, and original inglenook fireplaces. Lampkyns is a superb family home that enjoys the character of a historic property combined with the modern amenities required for family living in the country.

The house is a beautifully presented property, the accommodation extends to over 4,300 sq ft arranged over three floors, and the space is well balanced between formal and informal living.

Stepping in through the wooden panelled entrance door you are greeted by the charming reception hall. The main reception rooms are accessed off the reception hall and comprise a triple aspect drawing room with impressive inglenook fireplace, and the conservatory which is filled with light.

The kitchen/breakfast room is well equipped with a central work island, fitted Miele and Neff appliances and a oil fired AGA. Also on the ground floor is family room, study, utility and WC.
