Freehold (Vacant possession on completion)

An attractive development opportunity in a semi-rural location with planning permission for the construction of three well-proportioned detached dwellings.

Situated: The property is located to the east of East Studdal village, approximately 4.5 miles from Deal and 8 miles from Dover. Description: The site, which was previously a redundant farmyard, sits in a quiet yet accessible location with views over neighbouring farmland. The site extends to approximately 0.74 hectares (1.82 acres) and provides three generous plots.

Once constructed unit 1 will be a spacious detached property comprising a large open plan kitchen, dining, and living area with separate sitting room, utility, and WC on the ground floor. Situated on the first floor will be a master bedroom with en suite, three further bedrooms and a family bathroom.

Units 2 and 3 have a similar design and will include a large open plan kitchen, dining and living area, family bathroom and two bedrooms (one en suite) to the ground floor and a master bedroom suite on the first floor with a walk-in wardrobe and en suite.

The site will have a private access from Northbourne Road.

Planning: Dover District Council granted consent for the construction of the three dwellings under reference 19/01473. A significant number of the conditions have now been discharged allowing an immediate start. Interested parties can access further information via the Planning Portal.

Restrictions and Covenants: The following covenants apply, or will be applied to the sale:

1. As part of the planning consent the buyer will be obliged to construct the garage for Newlands Farm Bungalow.
2. A restriction will be applied to the site preventing the development of more than 3 residential units.
3. The buyer will be granted any rights necessary over the adjacent land for the laying of services or discharging of planning conditions.
4. The buyer will be obliged to erect a suitable fence around the site within 12 months of completion.
