A quintessential Grade II listed five bedroom family home situated in the heart of this popular West Sussex village on a large garden plot of approx 0.85 of an acre. The property has been a fantastic family home for the last thirty years and offers well proportioned accommodation including two good sized reception rooms with inglenook fireplaces, a farmhouse kitchen with both electric and oil-fired AGA and a most impressive oak framed garden room with under floor heating enjoying delightful aspects over the gardens. On the first floor, there are five bedrooms and two bathrooms, one of which is ensuite to the main bedroom. Outside the property is approached by a good sized driveway leading to a detached double garage and the gardens extend to the side and rear of the property with large expanses of lawn with flower and shrub borders in and around and a vegetable area to the rear of the double garage. A further feature of this lovely home is a converted hay barn which now incorporates a games room and a gym or home office with power and light. This hay barn could be used as ancillary accommodation or AirBnB.

This is a delightful home which we highly recommend an early visit to fully appreciate the accommodation and is offered for sale with no onward chain.
