Poplars Avenue Road

Cranleigh, Cranleigh, Surrey

An individual character detached family home, idyllically located just off the village green with open aspects to the front over farmland. The property has attractive part tiled elevations and has accommodation arranged over two floors. There is a welcoming entrance hall, large front to back sitting room and dining room with bay window, double doors to conservatory, kitchen, cloakroom and lean to utility area. On the first floor, there are four bedrooms with the main bedroom having an ensuite bathroom, family bathroom and separate WC and access to loft storage room. Outside, the property is approached via a paved driveway providing plenty of parking leading to an integral garage with flower and shrub borders around, retained by low brick walling. Side access to the rear garden with crazy paved patio stepping up to shaped lawns with well stocked flower and shrub borders around enjoying a westerly aspect. The property is now a little dated and offers an exciting opportunity to update and improve and we highly recommend an early visit to fully appreciate the potential on offer. No onward chain.
