SITUATION

Colesbrook Farm is found on the edge of Gillingham part way along a no-through lane, in The Conservation Area, with very little passing traffic. Gillingham is a small Saxon market town which has a mainline railway to London Waterloo (2 hours), three churches, a library and a museum, Waitrose, Aldi, Asda and Lidl supermarkets,

pubs and restaurants, Riversmeet fitness centre with a 25 metre swimming pool and sports clubs from karate to angling. It is very well positioned for access to the A303 a few miles to the north and has primary and secondary schools. There are also a large number of excellent private schools in the area.

DIRECTIONS

From the centre of Gillingham head north towards Milton on Stour and Mere and pass over the last roundabout before leaving the town. Take the right turn towards Purns Mill and Colesbrook and then bear left into Purns Mill Lane. The site entrance will be found on the left.
