THE DWELLING

The kitchen / dining room is a fantastic family space with attractive wooden floors, a range of modern wall mounted and floor standing units, island and bi-fold doors to the terrace. The sitting room has a character stone inglenook fireplace with a large Bressumer beam and a brand new efficient wood burning stove. The snug also has exposed beams and lovely original wooden door. On the first floor bedrooms one and two are dual aspect and all have wonderful views of the surrounding Blackmore Vale countryside and there are two modern ensuite shower rooms and a family bathroom.

First floor - Master bedroom with ensuite shower room, bedroom two with ensuite shower room, 2 further bedrooms, bathroom.

OUTSIDE

The property is approached from West Lane, a quiet no-through country lane, via wooden five-bar gates on to a drive with ample parking and turning for a number of cars. A wrought iron gate gives access to the well-draining field and a small gate to the side of the house leads to the gardens. There is a well kept lawn, flower and shrub borders, some mature trees and a west-facing terrace with hedge boundaries along the lane and a post and rail fence to the field. Wooden 5-bar gates from the drive open to a concrete yard and stable block. One block comprises a stable, tack room, store with covered field shelter to the rear while on the other side of the yard are two further stables, a study and a workshop. A five-bar gate gives access to the field and there is a further parcel of land beyond the stables, ideal as a vegetable garden.

SITUATION

Blythwood is found towards the end of a no-through lane on the edge of the village of Hazelbury Bryan and has wonderful views over the lovely Blackmore Vale countryside with its nearby bridleways and equestrian facilities. Hazelbury Bryan has a village hall, pub, church, primary school and well stocked village shop for everyday essentials. The village is a lively community with many clubs and events. Sturminster Newton is a picturesque market town about 5 miles away and has further facilities with a supermarket, shops, doctors and dental surgeries. The historic Abbey Town of Sherborne is about 10 miles away with a wider range of shops and a mainline railway station to London Waterloo.
