THE DWELLING

5 Newton Gate forms part of this courtyard development of some 23 years ago. The dining hall has high vaulted ceilings and forms the centre of the house with the spacious reception room to one end and the kitchen the other. The reception room measures some 26ft deep and has a wood burner feature fireplace and an outlook over the private garden to the rear. The immaculate kitchen has been recently renovated to give a range oven, space for American style fridge and a range of wall and floor units. The integral garage houses the utility area and gives rear access to the rear garden.

The stairs rise to a spacious landing that has Velux windows for plenty of natural light, linking the principal suite at one end and the three further bedrooms, the 4th being fitted out as a dressing room currently, at the other with a family bathroom.

ACCOMMODATION

See floor plan. In brief: a light and airy courtyard development house with some outstanding ceiling heights and a garden with established summer house.

OUTSIDE

Approached over the adopted courtyard, parking for 2 / 3 cars and the garage is to the front of the house. To the side and rear is a private garden with French doors from the sitting room and steps down from the garage to the other end. The main garden is mostly laid to lawn with high hedges and fencing giving privacy. The summer house has been renovated and has internet connection for WFH options. The rear garden links up to the garage area and holds sheds and a pergola for BBQ's.

SITUATION

Newton is situated just outside Sturminster Newton, a traditional market town with a range of shops including traditional butchers and delicatessen, supermarket, cafes, pub, library, doctor and dental practices, health centre, churches and schools. The town also has an exceptional and active arts centre which provides a wide range of music, theatre and other events, a recreation ground and the surrounding area has some fantastic walking countryside.
