THE DWELLING

Jancris is a detached bungalow believed to have been built in the 1960s of brick and block elevations. It is found towards the end of a peaceful no-through lane with only a small number of other properties around. The bungalow occupies a very good sized plot with ample parking and garage at the front and large garden to the rear. The bungalow would now benefit from a programme of modernisation and has tremendous potential for an incoming buyer to put their own stamp on it and potentially extend, subject to the necessary consents.

ACCOMMODATION

See floorplan.

Ground floor - Hall, sitting room, kitchen/breakfast room, 3 bedrooms, bathroom.

OUTSIDE

The property is approached from Bibberne Row (private road) on to a drive with parking for two cars in front of the double garage with up and over doors, power and light. There is a front garden, laid to lawn with the main garden being at the back and laid to lawn with the whole measuring 0.32 acres.

SITUATION

Stalbridge is Dorset's smallest town with a busy traditional High Street with many shops and businesses including post office, butcher, hairdresser, dentist, cycle shop and busy local supermarket. Many businesses are second or third generation family run and help to provide an excellent community which also has a church and primary school. The market town of Sturminster Newton is approximately 6 miles to the south and the larger towns of Shaftesbury, Sherborne and Wincanton are within a 20 minute drive. Road links are excellent with the A30 at Henstridge and A303 at Wincanton and Templecombe (3.5 miles) has a mainline railway to London Waterloo. The surrounding area has an abundance of good quality schools and some of the finest countryside with excellent walking, cycling and riding. The coast at Bournemouth/Poole is within an hour's drive.
