#### THE PROPERTY

Woodmount was built in the 1950's providing an excellent detached house within a large plot in the central part of Stalbridge. The house offers good reception space with an open plan kitchen / dining room already. The 1st floor has three bedrooms, a family bathroom and a further shower room. Whilst now requiring modernisation, this represents an opportunity to refurbish and possibly extend, subject to further planning permission.

However, recent planning permission (P/FUL/2025/04153) has been granted to build a pair of 3 bedroom semi detached houses on the eastern side of the plot along with garages behind.

#### OUTSIDE

From Station Road is a driveway leading up to an integral garage to Woodmount and continuing to a wide turning circle and parking for multiple cars. The house sits centrally on the western side of the large plot that is Woodmount; and therefore has a raised front garden and private rear garden. To the eastern side is the parking and two workshops with large level garden area to the front, again raised up above Station Road.

#### SITUATION

Stalbridge is Dorset's smallest town boasting a busy traditional High Street with many shops and businesses including post office, butcher, hairdresser, dentist, cycle shop and busy local supermarket. Many businesses are second or third generation family run and help to provide an excellent community which also has a church and primary school. The market town of Sturminster Newton is approximately 6 miles to the south and the larger towns of Shaftesbury, Sherborne and Wincanton are within a 20 minute drive.
