A stone-built 3/4 bedroom 3 bathroom stable conversion with double garage, parking and a lovely walled garden nestling in a quiet backwater of this lovely Somerset village. Potential for a self-contained annexe.

The accommodation has been recently renovated by the present owners. It comprises a lovely sitting/dining room with fireplace and fitted wood burner, generous recently fitted kitchen/breakfast room with a central island and access to the rear garden, utility room, ground floor shower room, double garage and workshop, to the first floor is a master bedroom, 4th bedroom/dressing room and a family bathroom. The configuration of the rooms would suit a self-contained annexe (indeed kitchen points exist in bedroom one where a small kitchen existed under the previous owner's ownership).

Outside

To the front of the property is a stone-laid drive/parking area for several vehicles. Stone steps lead up to the

first-floor accommodation above the garage which could provide self-contained annexe. There is a ground floor side entrance door leading to the workshop which in turn has a second door leading to the garden and the rear of the main house.

The lovely garden to the rear is mainly walled and laid to lawn along with apple/fruit trees and a paved patio/terrace. The garden enjoys a high degree of privacy together with receiving much sunlight. A door leads to a WORKSHOP/STORE which has power and light.

DOUBLE GARAGE with up and over door, power and light.

Situation

The property lies in a quiet backwater in this lovely Somerset village of Queen Camel which has local amenities such as a convenience store, primary school, public House, Bowls club, playing field and health centre.

It is within easy driving distance of both the historic Abbey town of Sherborne and the regional centre of Yeovil which both provide a comprehensive range of shopping, leisure and business amenities as well as mainline railway stations with regular services to London/Waterloo, Bristol and the south coast.

The A303 can be joined at Sparkford (about 1 mile) with access to the M3/M25 route. The property is also within driving distance of many of the area's best independent schools including Hazlegrove, the schools at Bruton and Sherborne, Millfield, and Leweston along with very good state school
