

A photograph of a traditional stone cottage with a thick thatched roof. The walls are made of light-colored stone. There are several windows with dark frames and white curtains. A large, gnarled tree with vibrant purple wisteria flowers is in the foreground, partially obscuring the right side of the house. To the left, a dense green hedge runs along the property. A small green sign with white text is visible in the hedge. In the background, another building with a red brick chimney is partially visible under a clear blue sky.
