To its right is a smaller, dark green metal building with a corrugated roof and a large double door. A gravel driveway runs between these buildings. The background is filled with numerous trees, some with bare branches and others with green leaves, suggesting a mix of deciduous and evergreen species. The sky is blue with scattered white clouds.

A well thought-out kitchen lies to one end of the room, with built-in appliances leading into the dining space. There is also a separate double bedroom with full-length fitted wardrobes together with an adjacent shower room with walk-in shower, wash hand basin and WC.

## LEGAL AND INFORMATION PACK

A full legal pack can be purchased online. Please telephone the office below to check availability.

**We strongly recommend you instruct a solicitor to inspect the legal pack on your behalf.**

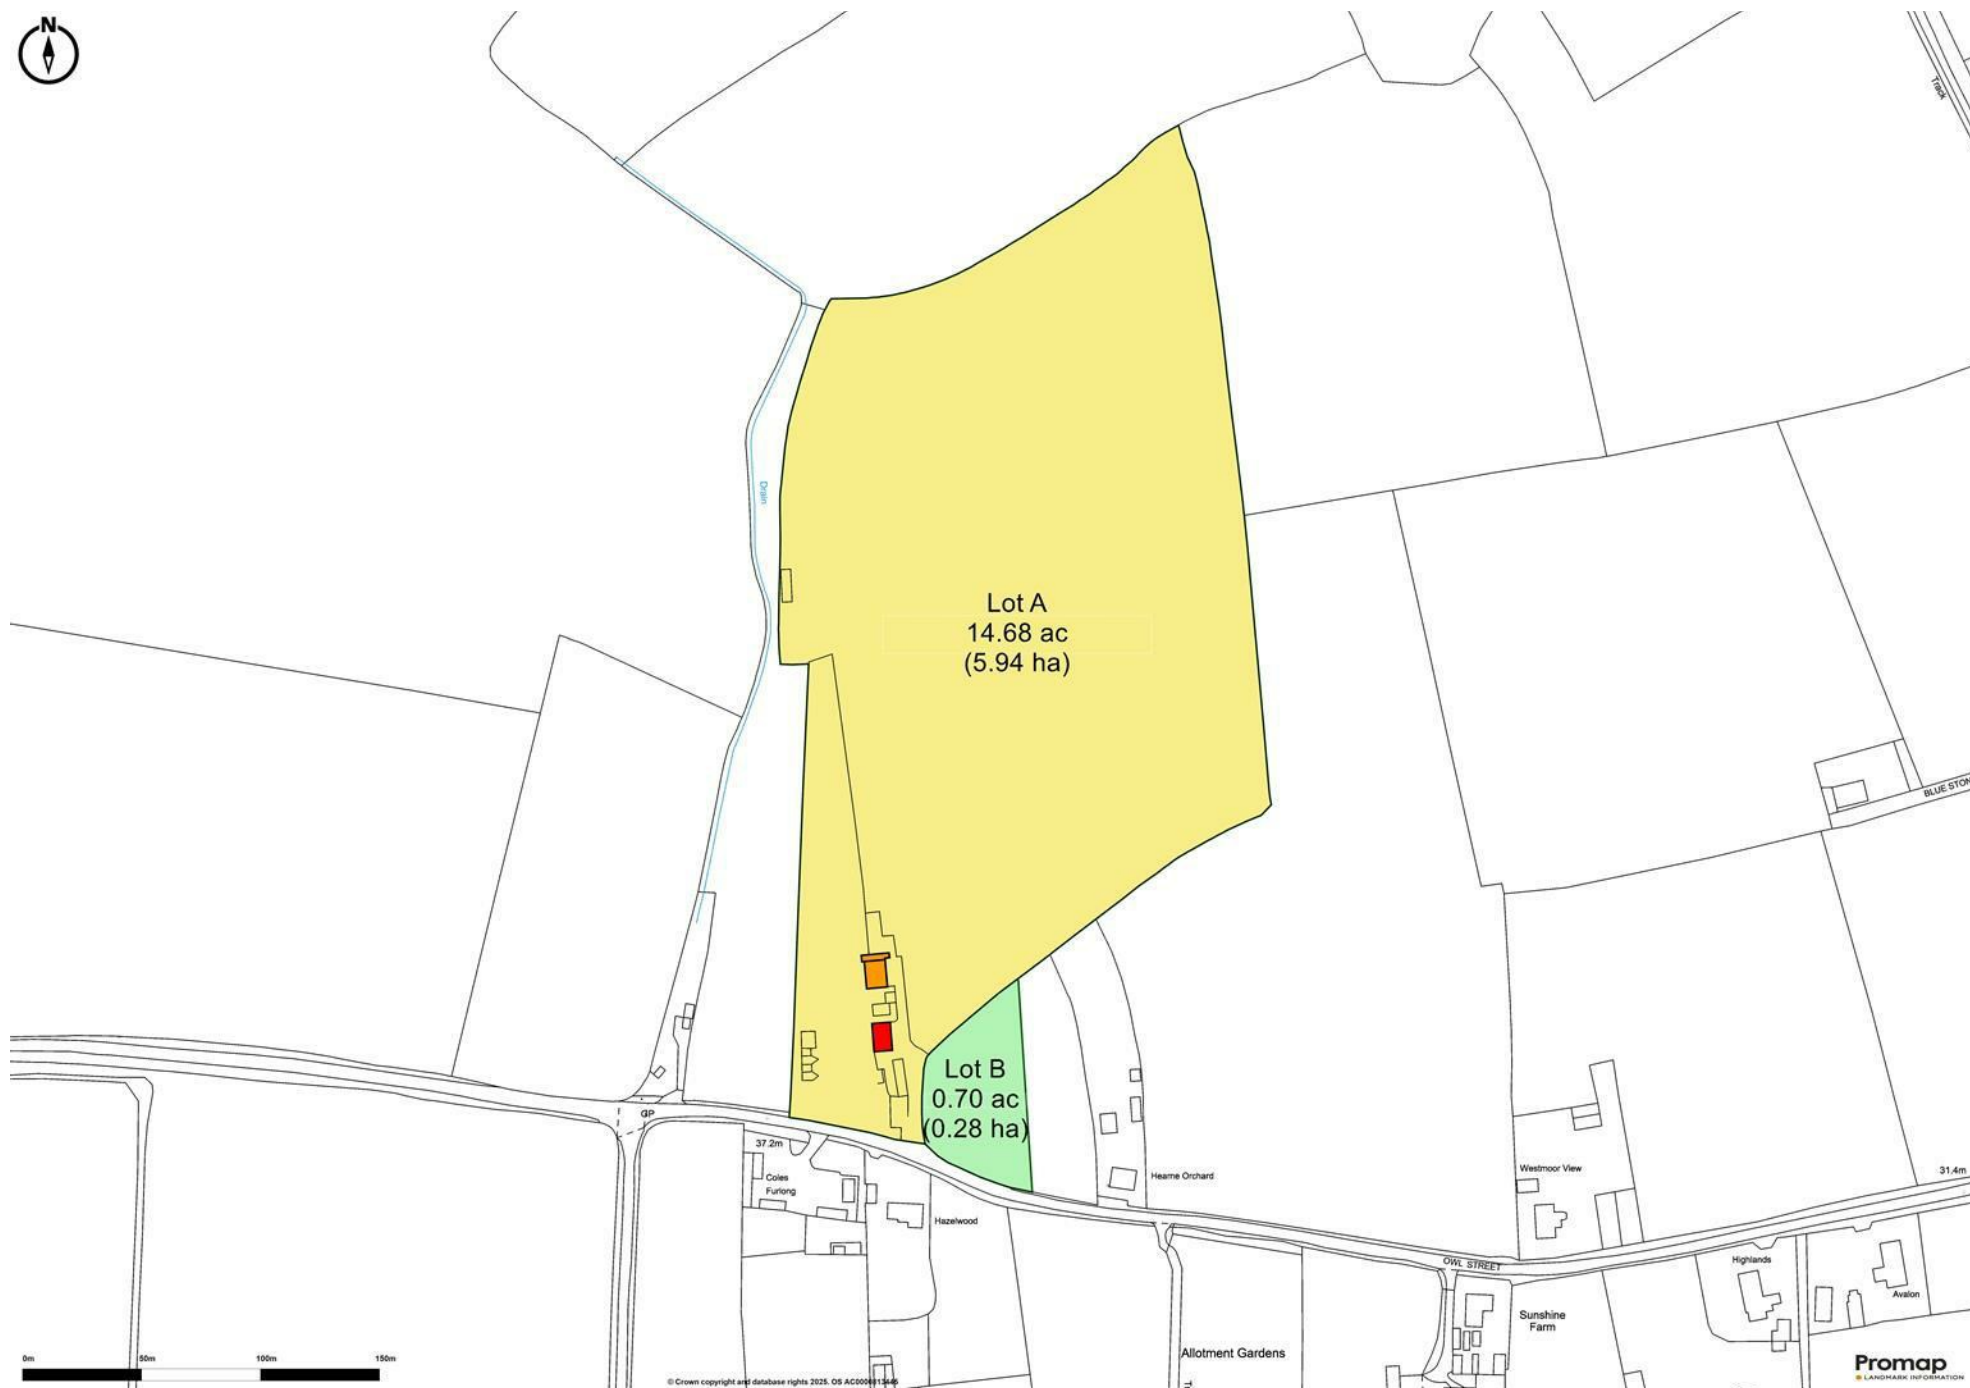

Guides are provided as an indication of each seller's minimum expectation. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Each property will be offered subject to a Reserve (a figure below which the Auctioneer cannot sell the property during the auction). The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction. The 'Reserve Price' may exceed the 'Guide Price' listed. If so, it is customary for the 'Reserve Price' to exceed the guide price by no more than 10%.

### Additional Fees

- The successful purchaser will be required to pay the Auctioneer's Administration Fee of £1,500 (£1,250 plus VAT) payable to Symonds & Sampson. For purchases of £50,000 or less the Administration fee will be £900 (£750 plus VAT). If two or more lots are offered together in the first instance, or lots are purchased under one contract, the administration fee will apply per lot and not per contract. The charge will apply to lots bought prior to and post auction.
- In the event of non-payment or underpayment a deduction will be made from the deposit received. A VAT receipt will be issued in the name of the buyer.
- Disbursements – Please see the legal pack for any disbursements listed that may become payable by the purchaser.

## AUCTION NOTES

**Prospective buyers are strongly advised to take note of the advice and information given in these important notes. IMPORTANT NOTICE** - Symonds & Sampson LLP and their Clients give notice that:

1. They have no authority to make or give any representations or warranties in relation to the property. The particulars do not form part of any offer or contract and must not be relied upon as statements or representations of fact.
2. Any areas, measurements, or distances are approximate. The text, photographs and plans are for guidance only and are not necessarily comprehensive. It should not be assumed that the properties have all necessary Planning, Building Regulation or other consents, and Symonds & Sampson LLP have not tested any services, equipment or facilities. Purchasers must satisfy themselves by inspection or otherwise.
3. This catalogue contains details about properties being sold at auction. The vendors reserve the right to sell their properties prior to auction and these details can be subject to change up to and including the day of the auction. Please check our website regularly at: [www.symondsandsampson.co.uk](http://www.symondsandsampson.co.uk) and look out for any additional materials available on the day of the auction, in order to ensure you have all the up to date information.

**Plans and Measurements** - All room sizes, site measurements and distances are approximate and may have been scaled from architects, Land Registry or Ordnance Survey plans. They are there to assist buyers in identifying the lots offered and not guaranteed to be to scale or to indicate the full extent of the property being offered. Buyers are advised to view the Special Conditions and full legal documentation in respect of the precise interest to be sold.

Each lot will be sold in accordance with the title documentation as the location plans shown in the catalogue are for identification purposes only. Interested applicants should make their own site inspections and investigations with regard to the accuracy of all measurements given in the catalogue.

**VAT** - Prospective buyers should satisfy themselves as to whether VAT is chargeable on the price prior to the auction from the seller's solicitors.

**Tenure** - Freehold and vacant possession will be given on completion unless otherwise stated.

**The Guide Price** is an indication of the seller's current minimum acceptable price at auction. It is given to assist consumers in deciding whether or not to pursue a purchase.

It is usual, but not always the case that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued.

A guide price is different to a reserve price (see below). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

The Reserve Price is the seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction. The 'Reserve Price' may exceed the 'Guide Price' listed. If so, it is customary for the 'Reserve Price' to exceed the guide price by no more than 10%.
