THE DWELLING

Nestled in the charming village of Stembridge, Martock, this delightful detached house, built in 1927 set in 0.31 acre with south facing viws, offers a perfect blend of character and modern living. With four spacious bedrooms, this property is ideal for families or individuals seeking comfort and space. The house boasts two inviting reception rooms, providing ample areas for relaxation and entertaining guests together with a large kitchen/breakfast room and a conservatory.

Set in a picturesque location, this home is surrounded by the natural beauty of the Somerset countryside including cider orchards, while still being within easy reach of local amenities and transport links. This property presents a wonderful opportunity for those looking to settle in a peaceful yet accessible area. With its charming features and spacious layout, this house is not just a place to live, but a place to call home.

ACCOMMODATION

The main front entrance door leads into a good-sized reception hall with a staircase to the first floor. The kitchen/breakfast room is a very good size, fitted with a comprehensive range of kitchen units, a sitting room, separate dining room, walk in ground floor shower room, conservatory (off the kitchen/breakfast room), a utility room, store room and a secondary porch and entrance from the rear parking area.

On the first floor are four double bedrooms with bedroom one having an en-suite shower room together with a family bathroom comprising a bath with a shower over, a vanity unit and wc. The landing has access to loft space with light and is mostly boarded.

OUTSIDE

The property is situated in a generous plot of circa 0.31 acres. From the road, double gates lead to a private driveway running to the rear of the house, providing parking for several vehicles and access into a large SINGLE GARAGE with power and light as well as a workshop/store room. There is a utility garden with planted fruit bushes.

The majority of the gardens are south-facing and laid to lawn and enclosed by fencing and hedging, together with an impressive beech tree.

SITUATION

Stembridge is surrounded by its famous cider apple orchards - indeed, Julian Temperley's Somerset Cider Brandy Company is close by at Burrow Hill. Stembridge has a public house, The Rusty Axe and primary schools in the village and at Kingsbury Episcopi, which both lie within the catchment area of the popular Huish Episcopi Academy. Stembridge adjoins Kingsbury Episcopi, which offers local facilities including a community shop and café, recreation ground, St Martin's church and the Methodist chapel.

The larger villages of South Petherton and Martock and the market towns of Langport and Somerton are all about a ten/fifteen-minute drive away; each has a range of amenities.
