THE DWELLING

An extremely well presented and much extended detached property, which benefits from upvc double glazing and lies in one of Yeovil's most desirable cul-de-sacs. The property, which is light and airy throughout, needs to be seen to be appreciated, and an early viewing is very much advised.

ACCOMMODATION

A part-glazed entrance door leads to the porch, which in turn has a part-glazed door to the reception hall with a staircase rising to the first floor

The kitchen is a good size, overlooking the front of the property, fitted with a comprehensive range of units with black marble effect worktops, cream doors and stainless steel door furniture.

There is a five hob Toledo range with stainless steel splashback and hood and a wine cooler, whilst there is a good range of base units and wall cupboards, being underlit and one glazed. There is also both floor and wall tiling.

Off here is the rear lobby with a door to the garden, a cloakroom with a white suite and a utility room with a gas boiler.

The sitting room is a very good size, having a lovely central feature fireplace with inset woodburner, French glazed doors to the hall and attractive glazed bifold doors to the dining room.

This is a superb room, being triple aspect and having a lovely

vaulted ceiling with two Velux roof lights and French doors to the garden.

In turn, an archway leads to the third reception room, which could be used as a games room, study, morning room, etc.

On the first floor, there are four bedrooms, of which three are healthy doubles and a bath/shower room with a white suite having a corner shower cubicle.

OUTSIDE

To the front of the house is a lawned area of garden, gravel bed, some lap panel fencing, whilst a brick block driveway leads to the garage with an up and over door, whilst there is a further area of gravel with a border and dropped kerb providing additional parking.

To the rear, the garden is a real feature initially offering a patio area with a shed in turn leading to a lawned area with further patio, tap and light and two gates on either side of the house to the front of the property.

Steps lead to a further area of garden being laid to lawn, having flower beds and borders, a vegetable garden, paved pathways and the garden is enclosed by lap panel fencing.

SITUATION

Yeovil offers a wide range of excellent shopping, business and cultural facilities; there are four supermarkets, schools from

primary through to secondary and the Yeovil College within easy reach. Regular bus services run within the town, also serving nearby villages and neighbouring towns. A mainline railway station will be found at Yeovil Junction, and good road links to the A30, A303 and A37 are all close by. The M5 junction 23 is approximately 20 miles away, and the South Coast is approximately 25 miles away.

DIRECTIONS
