Charnock Bates

Substantial five-bedroom period home reimagined for modern living

Set behind electric gates with a sweeping driveway and parking for up to 11 cars, this elegant detached home blends high ceilings, cornicing, and herringbone floors with contemporary comforts including underfloor heating and a showpiece kitchen. A double garage, beautifully landscaped gardens, and a no-chain sale make this a rare Brighthouse opportunity.

Living spaces

A welcoming hallway with herringbone flooring leads to a refined dining room with bay window and a marble-surround fire – perfect for hosting.

The full-depth living room offers flexible zones for relaxing and entertaining, flowing through glazed doors to the light-filled conservatory with French doors to the garden.

Kitchen

Designed as the home's social hub, the kitchen pairs sleek cabinetry and contrasting worktops with a large island (seating four), two sinks, extensive storage, and an elite appliance suite (Samsung induction hob; two NEFF ovens plus NEFF steam oven; plate warmers; Bosch dishwasher; fridges/freezer).

Underfloor heating and twin bay windows (one with built-in seating; one with garden access) complete the space.

A utility and WC sit adjacent.

Bedrooms and bathrooms

The principal bedroom enjoys fitted wardrobes, a bay window and an adjoining room ideal as a dressing room, nursery or future ensuite.

Three further double bedrooms on the first floor offer flexibility. The family bathroom impresses with dual sinks, rainfall shower, bath, bidet and fitted storage.

On the top floor, a fifth bedroom with vaulted ceiling, beams, skylight, and eaves storage makes an inspiring studio, office or guest suite.

Outside

Manicured front grounds are framed by mature trees and a gated drive to the double garage.

The rear garden is perfect for year-round enjoyment: flagged entertaining terrace, hot tub (which is included in the sale), level lawn, mature borders, covered seating area, shed, outdoor tap, and side access. EV charging in place.
