

SUMMERPARK

DUMFRIES, DG1 3TP

***STRONG.
BEAUTIFUL.***

***AS A FAMILY-OWNED
BUSINESS, WE GO TO
GREAT LENGTHS
TO CRAFT BEAUTIFUL,
WELL-BUILT HOMES.***

Homes that are not only strong in build, but in character too.

Story homes challenge the conventions of the mass-produced, standing apart from the crowd. There's all the features that make a Story home unique. The space we leave between each home, and footpaths that little bit wider, because that's what people need. Even our front doors are different colours. And the best combinations of bricks, render and stone are used, with considered design features at every turn.

With a brand new Story home, you will find there are no compromises on quality, no corners cut – just solid, beautiful homes.

**SOLIDLY-BUILT WITH
QUALITY MATERIALS.**

Premium specification.
Added strength and character.

**BUILDING BEAUTIFUL HOMES
FOR OVER 30 YEARS.**

Pride in our homes.
Pride in our workforce.

**WE'LL GIVE YOU MORE
SPACE INSIDE & OUT.**

Well-proportioned living areas.
Set back off the road.

**DESIGNED
FOR LIFE.**

Unique modern features.
Effortlessly flowing spaces.

*WE BUILD
IN ENVIABLE
LOCATIONS
THAT DEMAND
HOMES TO
MATCH.*

*AWARD-WINNING DEVELOPMENT. COUNTRYSIDE VIEWS.
SUMMERPARK REALLY DOES HAVE IT ALL.*

Summerpark is Story Homes' first ever development in Scotland and is still the biggest in Dumfries and Galloway to date. Summerpark is close to The Solway Firth and surrounded by beautiful countryside, perfect for walking and cycling.

Nearby are two beaches, Southernness and Powmillimount, plus, you can access the A75, which connects to Stranraer, with ease. There are also a number of local restaurants, cafés and bars nearby as well as Calside Primary School and Dumfries High School.

This charming development was also recently named 'Low Rise Residential Development of the Year' at the 2019 Premier Guarantee Excellence Awards.

*STRONG
IN BUILD.
STRONG IN
CHARACTER.*

Image shown is for illustrative purposes only.

Of course, every home is unique. But with a new Story home, you'll discover some elements are shared. Like open-plan living areas that radiate light and space. Well-designed kitchens that deliver practicality and durability. Beautifully designed bathrooms and en-suites that take centre stage. And there's also French doors that are included as standard, helping to create a seamless link between your home and garden.

What's more, when you buy a new Story home, you have the opportunity to personalise your home even further with our choices, upgrades and optional extras which can be incorporated seamlessly into your new home.

But it's not only our premium specification that's well considered. Our homes are built with sustainability in mind, with the aim of helping the environment and saving you money.

*A 4-bed detached Victorian house with some modern improvements has average yearly energy costs of £2,460. Whereas, the equivalent new build home that has been built to 2013 Building Regulations could have average yearly energy costs of £1,050, saving £1,410 per annum. SOURCE: new-homes.co.uk.

A new build is more economical to run than an older property. It uses less energy and produces significantly lower CO2 emissions, meaning lower running costs, and a saving of up to £1,410 pa on a 4-bedroom detached new build property.* Energy saving features could include:

- High levels of thermal efficiency
- 'A' rated kitchen appliances (majority of appliances)
- Dual flush toilets
- 100% energy efficient lighting

Each home at Summerpark is built with thermally-efficient building materials, and has a smart meter installed, so you can monitor your energy consumption. This, along with water-saving appliances and an airtight design, will give you all the benefits of a new build home.

YOUR NEW HOME IS CRAFTED USING THE BEST QUALITY MATERIALS AND THE HIGHEST SPECIFICATION POSSIBLE.

Images shown are for illustrative purposes only. Although Story Homes has taken all reasonable care in the preparation of the contents of this brochure to ensure the accuracy of the information contained in it, such information can be subject to change and we do not warrant its accuracy. We continuously review our products for improvement and development so individual features may vary from time to time. We may also re-plan developments resulting in a change to the layout, house types and road layout. These particulars are therefore for general guidance only and do not constitute a contract or warranty. You should take appropriate steps to verify any information on which you intend to rely and in order to do so we would advise you to speak to a Sales Executive.

THE NEWTON

4-bedroom detached house with detached single garage
Total floor area: 1945 sq ft

GROUND FLOOR

Lounge:	4817 x 3987	[15'-8" x 12'-11"]

BUILD QUALITY
WITH NO
COMPARISON.

Image shown is for illustrative purposes only.

*STORY HOMES HAS BEEN BUILDING BEAUTIFUL HOMES
FOR OVER 30 YEARS ACROSS CUMBRIA, THE NORTH WEST,
NORTH EAST AND SOUTHERN SCOTLAND.*

*FOUNDED
IN 1987.*

As a family-owned business, our mission is to design and build quality homes that people aspire to live in. Homes designed for life, that are strong in both build and character.

We have been successfully building high quality homes that stand out from the crowd for over thirty years. We would not be where we are today without our people, our craftsmen, our suppliers, our charities and of course, our customers.

Our passion, commitment and enthusiasm drives our 'can do' attitude to be the best. We are one team, working together to 'do it right' and our exceptional quality and attention to detail runs through everything we do.

Fred Story

***WE ARE PASSIONATE ABOUT BUILDING HOMES
THAT WE ARE PROUD TO PUT OUR NAME TO.***

Customer satisfaction has always been one of our key strengths, and we regularly receive superb feedback from our customers which we use to help us make continuous improvements to our homes and our after-sales service.

TAKING CARE OF YOU

Our reputation is firmly built on the quality of our exceptional homes and our high standards of customer service. Before you move in, you'll be given a comprehensive 'Home Information File' that explains everything about your new home and what you can expect from our Customer Aftercare team.

You will also receive a home demonstration from your Site Manager, who will answer any questions you might have about your new Story home. Your Site Manager and your Sales Executive will become your main points of contact in the first few weeks of owning your brand new home.

GOING THE EXTRA MILE

We pride ourselves on providing a friendly, easily accessible, knowledgeable and efficient service for our customers. And as well as care and support from our Sales team during your purchase, our local and dedicated team of advisors and technicians will also be here to take care of you after you have moved in.

Your Site Manager will contact you in the days following completion, and then again during the first few weeks you are in your home. This is to ensure everything is as you would expect your new Story home to be.

Our Customer Aftercare team will call you directly to introduce themselves. We provide dedicated and responsive aftercare for two years after buying your Story home, in addition to your 10-year build warranty, so you can rest assured you are in safe, professional hands with us.

The Consumer Code for Home Builders was developed by the home-building industry and introduced in April 2010 to make the home buying process fairer and more transparent for purchasers. Find out more at www.consumercodeforhomebuilders.co.uk
