Internally the property comprises: entrance hallway leading to the impressive lounge with high ceiling and cast iron feature fireplace. A staircase with wine cellar to the side leads to the basement which accommodates a workshop/utility room and double bedroom with en-suite shower room.

The extensively fitted kitchen is situated on the first floor. It has the addition of a dining/sitting area with glass roof and hardwood double glazed patio doors, allowing lots of light into the room and providing access into the garden.

The impressive staircase through the heart of the home is wide and spacious, allowing plenty of space for movement between all floors.

The master bedroom enjoys cathedral views and is situated in the 2nd floor together with a further double bedroom and the traditional family bathroom. A 4th double bedroom is situated on the 3rd floor and has access to the loft space with large storage area.

Externally the property boasts a private off road parking space which is a huge asset to this property. To the rear is an enclosed terraced garden which provides a good degree of privacy and has various raised areas and a paved patio for alfresco dining.

Having gas central heating via a combi boiler installed approximately 3 years ago and period style column radiators to most rooms. The sliding sash windows have all been recently refurbished by the current owners. Certainly an opportunity not to be missed. An internal inspection is essential.
