**LONG ACRE, ST. LEONARDS ROAD,
NAZEING, ESSEX, EN9 2HQ.**

It is only with an internal viewing that you can fully appreciate the truly outstanding accommodation that is offered with this unique and surprisingly bright and spacious family home, as photographs alone cannot do it justice. A great deal of thought and exceptional attention to detail has created a stunning contemporary feel to a home that reflects open plan modern day living.

The scope with this property seems unlimited offering a variety of options for alternative uses, with several outbuildings that could easily be adapted for running a small business from home, subject of course to the necessary approvals.

Long Acre, as the name suggests, the gardens and grounds extend to an acre and has direct access onto Clayton Hill Lake and Lea Valley Park offering numerous walking and cycle paths that lead to the water park at Waltham Abbey. In addition there are open views to the front of the property over open farmland.

Nazeing village has a busy shopping parade offering a selection of independent shops to cater for day to day requirements. Transport links by both road and rail are easily accessible and St Leonards Road is within the catchment area of highly regarded schools in the surrounding area.
