Location

Menai Bridge is a bustling town situated on the edge of the famous Menai Strait. The main town is home to an interesting mixture of Georgian, Victorian and Edwardian architecture and grew up around the original ferry crossing to and from the mainland, long since replaced by the famous suspension bridge built by Thomas Telford. The town is a popular destination for mooring and has facilities for launching boats. Menai Bridge is a great place to shop having a wide variety of independent shops, taverns and restaurants and is situated on the tourist route for the historic town of Beaumaris. There are schools and excellent road links which provide easy access to the city of Bangor just across the water where you will find a wide range of high street stores and out of town shopping outlets. The A55 allows easy access to the coastal towns with their award-winning beaches and the port of Holyhead.
