Intending purchasers must rely on their own inspection of the property. None of the above appliances/services have been tested by ourselves. We recommend purchasers arrange for a qualified person to check all appliances/services before legal commitment.

Freehold

Council Tax=TBC

EPC- TBC

#### LOCATION

The site is situated on the west coast of Anglesey in the popular village of Trearddur Bay and occupies an extremely private position yet is only a short walk from the beach and village amenities which include a local shop, a Spa and various pubs and restaurants notably The Sea Shanty, Ocean's Edge and The Seacroft. There is a choice of supermarkets and department stores on the edge of Holyhead which is approximately 2 miles away and larger retail parks are at Bangor and Llandudno.

This side of the island has a particularly scenic coastline with numerous sandy beaches. There is a popular sailing club in the village which has a busy sporting and social calendar particularly during August, and there is excellent sailing, fishing and general boating all around the local coast with both private and public slipways close to the site from which to launch a boat. Other recreational facilities nearby include an outward-bound centre which runs various courses to include canoeing, kayaking and coasteering, motor racing at Ty Croes, golf at Holyhead and excellent wind surfing in nearby Rhosneigr. There is also a marina at Holyhead for anyone wishing to accommodate a larger boat nearby and excellent walking along the Anglesey Coastal Path including Holyhead Mountain and South Stack.

For travel, the area is well served by road being within a short distance of the A55 Expressway which facilitates fast access across the North Wales coast to Cheshire and linking with the national motorway network. There is also a direct rail service from Holyhead to London Euston which passes through Chester and Crewe.

#### Agents Notes

Please note some images are CGIs of the proposed finished development, together with actual aerial stills & drone footage (Provided By Off The Ground).
