43 CHURCH STREET, BRAMSHOTT, LIPHOOK, HAMPSHIRE GU30 7SQ

Price Guide £1,100,000 Freehold

A most individual and intriguing family house offering spacious and adaptable accommodation with potential for an annexe if required, and an undoubted feature is the penthouse 2nd floor bedroom suite with a balcony and views over adjoining farmland. The property occupies an established position in the picturesque village of Bramshott.

The property was constructed in the 1950's and retains many original features. The owners, who have lived in the property for decades have sympathetically enlarged the house and contributed to its individuality. From the covered entrance porch is a large hall which leads to the kitchen, an extremely large sitting room/dining room and internal hall, off which, is the cloakroom/shower room, a large study and a second staircase which leads to a 5th bedroom. The study and the sitting rooms have large French windows enjoying a southerly aspect and access onto the sun terrace. The kitchen has been custom built and offers excellent storage and work surfaces. On the 1st floor there is the original master bedroom suite with fitted wardrobes and en-suite, there are 2 other bedrooms and a family bathroom. From the landing there is a further staircase which ascends to the created penthouse master bedroom suite which has a sizeable bedroom, en-suite, and a balcony with views over the rear garden and adjoining farmland. There is a secondary staircase which could combine the 5th bedroom, the study, and the cloak/shower room to create an annexe.

Externally there is a tarmac driveway with turning area, which leads to the property and detached double garage. The area provides parking for at least 10 cars. The gardens are set in a 1/3 acre plot, the front garden is laid to lawn with mature flower beds and established boundaries. The rear garden enjoys the perfect southerly aspect with a high degree of privacy. Adjoining the house is a full width sun terrace, beyond which is lawn, with mature, cultivated beech hedging, and an aluminium greenhouse.
