Imagine enjoying these truly outstanding views every day. From the height of summer sun rises, to a snow laded vista in Winter, come and fall in love with Homewood. Our clients are reluctantly listing this wonderful property after methodically and creatively rejuvenating this property over the last 12 months. The house is impeccably presented and offers a rare chance to own a sizeable house of such quality.

The property sits set back behind its gated driveway and is well screened from the road. At the rear it boasts an elevated location with far reaching views over the picturesque Milland valley.
