CLARKE  GAMMON

PICKETTS HILL HEADLEY HAMPSHIRE GU35 8TD

Clarke Gammon are delighted to bring Horseshoe Farmhouse to the market — a charming country residence set in grounds of just under one acre, nestled at the end of a private lane.

Horseshoe Farmhouse occupies an elevated position, with all principal rooms enjoying sweeping, panoramic views over the surrounding countryside. Bathed in natural light throughout, the home is particularly enhanced by a beautifully designed and skilfully crafted orangery — the true heart of the house. Offering an impressive 4,600 sq ft of accommodation (including the adjoining annex/home office building), the layout is both spacious and flexible, providing up to seven bedrooms and five reception rooms. The ground floor rooms all flow seamlessly from a central entrance hall, including direct access to the orangery, perfect for entertaining or relaxing while enjoying the scenery. Upstairs, the primary bedroom has two dressing areas, an en-suite and a private balcony with wonderful rural views, while the remaining accommodation includes six further bedrooms, a study/library area, storage rooms and two further bathrooms.

The previously mentioned detached annex building has been used to run a business from home. The building is established with a large open plan office space, as well as side office space, a toilet and kitchenette. This building had been formerly used as a granny flat. With some alterations, this area could be converted to such again.

Outside, the property is approached by a long driveway which is shared with just two neighbouring homes. A gated entrance then leads into a generous shingle driveway with a circular turning area, bordered by mature gardens with level lawns, sun terraces, and a variety of fruit trees — including plum and apple. The grounds, which measure to 0.83 of an acre, offer excellent privacy without compromising on the stunning southerly outlook the property enjoys.

- Detached annex/home office building
