THE PROPERTY

The house was constructed in the year 2000 and forms part of the Saint James's Place development which is highly desirable. This particular style of house has intriguing and flexible accommodation. On the ground floor it has an entrance hall with cloakroom off, access to a large and excellently shaped living room which gives direct access to the large South-west facing rear garden. There is a sizable kitchen/breakfast room which could be adapted to include a dining area, which would allow the existing dining room to become a family room. There is also a utility room. Upstairs there is spacious bedroom accommodation with master bedroom suite and built-in wardrobes. There are four further bedrooms and two further bathrooms one of which is 'Jack and Jill' which is shared between bedroom three and bedroom four.

THE GROUNDS

Outside there is parking for three cars with access to the sizable integral double garage which is also accessible from inside. The garden is an undoubted feature and is more substantial than the norm of the development with the south-west aspect, Layed predominantly to lawn with sun terracing.

SITUATION

The property is tucked away in a small cul-de-sac which forms part of the St James's place development, which is highly desirable with its millennium green open space and immediate access to all local facilities including Sainsburys supermarket. The mainline station is walking distance with fast and frequent trains to Waterloo in just over the hour. Also within walking distance are acres of beautiful countryside where walking can be enjoyed at Iron Hill, Wheatsheaf Common, beyond which is Chappell Common. The village centre has recently opened a highly desirable living room cinema and boasts a variety of shops, cafes and highly regarded public houses. The area as a whole is renowned for its schooling with excellent infant and junior schools and the highly rated Bohunt Academy. There are also, within easy reach of the property established private schools, including Churcher's college and Highfield and Brookham. There are excellent sporting facilities in the area with junior and senior football and cricket, Liphook Bowls Club, and golf at Liphook Golf course and Old Thorns Golf and Country Club.
