development potential STPP**

#### THE PROPERTY

A wonderful opportunity to acquire a project with large gardens and development potential STPP. There are a number of possibilities which include a substantial enlargement of the existing property, retaining all of the large garden, or to modernise and adapt the existing house with the creation of an adjoining building plot for either, an additional terraced house, or a small, detached house, all with mature gardens.

The existing house has an entrance lobby, 2 ground floor reception rooms and a kitchen. There are 2 first floor bedrooms and a spacious bathroom. The loft hatch gives access to a tower & roof void which has undoubted potential.

## THE GROUNDS

The gardens are an undoubted feature of the house, and the plot extends to 0.16 acre, with a width of 45ft and a depth of 160ft. The whole is mature, and well stocked. In recent months it has become unkept and will need management and reclaiming in the coming weeks. There are lawned areas, well stocked flower borders, mature trees and shrubs. The whole enjoys a high degree of privacy. Off street parking would need to be created and planning permission obtained.

## SITUATION

The property occupies an established position, tucked away in a small cul-de-sac, and is a short walk of the popular Co-op supermarket on the Headley Road. Liphook as a whole has a variety of shops, restaurants, cafes and public houses and a large Sainsburys supermarket. The mainline station offers fast and frequent trains to London Waterloo in just over the hour. The area as a whole is surrounded by beautiful countryside, much of which is National Trust, where walking, cycling and riding can be enjoyed. There is easy access onto the A3 to London and the South coast. There are excellent sporting facilities, and an extensive choice of schooling, the property is within walking distance of both the junior school, and Bohunt academy with its sixth form college.
