Freehold

A much loved and cared for detached family house which is now being sold for the very first time since new. The house offers outstanding proportions extending to 2302 sq.ft.

The accommodation over both floors offers great versatility and can consist of either 4 or 5 receptions or 4 or 5 bedrooms. There is a great option for a ground floor bedroom with neighbouring shower room if one has this requirement. Other noteworthy benefits to the ground floor are a splendid opening reception area, a grand sitting room with inglenook themed fireplace which offers access to a conservatory and then out to the garden or in to the dining room. The kitchen opens into a garden room and is well equipped as well as having a lovely vista out over our gardens.

To the first floor, there are four bedrooms all with en-suite facilities (bedrooms 3 & 4 sharing). The outstanding primary bedroom suite consists of a large bedroom area with bay window. We then head into an individual dressing room with a range of wardrobes and associated furniture and then on to the large en-suite which has a freestanding bath, double shower, and twin basins. All the bedrooms are a good size and all come with a form of fitted wardrobe.

There is a magnificent double garage with twin up-and-over doors. The property is approached by a block paved drive providing parking for several vehicles. This is flanked by an area of lawn and several shrubbery bushes and some small trees. In the rear garden there is a wide paved sun terrace and a level area of lawn. The garden is well enclosed with mature shrubs, affording a good degree of privacy.
