Location

Kings Road is located on the western outskirts of Emsworth. The town's renowned historic harbour is a big lure along with two sailing clubs, schools, cafes, shops, bars and a mainline train station. Emsworth is located on the water within the Chichester Harbour area with the rolling foothills of the South Downs National Park situated just to the north. The harbour's pretty foreshore is easily reach on foot from Kings Road with footpaths running nearby.

Accommodation

The contemporary, light and beautifully presented accommodation has been skilfully re-designed by the current owners and to the rear has a southerly facing aspect. New additions include bi-fold doors, a new heating system, new electrics and plumbing throughout and the creation of a ground floor cloakroom. The kitchen and first floor bathroom were also updated and further insulation laid in the loft. On the ground floor there is useful porch providing access to an entrance hall complete with newly created cloakroom. A dual aspect sitting/dining room is the focal point of the accommodation and to the rear has bi-fold doors providing access to the garden. A modern fitted kitchen is located just off this space. On the first floor there is a spacious master bedroom and a good sized double bedroom. A single bedroom and a contemporary family bathroom complete the accommodation.
