1930s semi detached house

Located in a great central position literally a moments walk to New Eltham mainline station and with a lovely green outlook to the rear. This is a 1930s semi detached house which has been in the same family since 1956 and been a very happy family home. Being a 30s house the rooms are typically a good size, including 2 large receptions and 3 bedrooms with a spacious entrance hall. The rear garden is a good size and with a lovely green outlook, to the front is a driveway providing off road parking. The house has some original features including the internal doors and fireplaces. The property benefits from gas central heating and double glazing but would benefit from some updating.
