Superb detached house

This beautifully rarely available detached house in the heart of Eltham Heights offers a perfect blend of space, comfort, and potential. The property boasts a generously sized garden, a large private driveway with parking for up to four cars, a spacious garage, and an additional workshop.

The home has been thoughtfully extended with a seamless double-story addition at the rear, making it feel like an integral part of the original design. The ground floor features a spacious lounge, a dining room, a kitchen diner, and a conservatory. There's also a convenient shower room on this level. The layout lends itself to easy reconfiguration; by removing a few internal walls and adding bi-fold doors or windows, you could create a stunning open-plan space that overlooks the garden.

Upstairs, you'll find four bedrooms, including an exceptionally large master bedroom, and a very spacious bathroom. With a little reimagining, this bathroom could be split to create both an en suite for the master bedroom and a family bathroom.

The rear garden offers plenty of space for outdoor activities, while the large garage provides ample storage or workspace. The property is situated in a prime location, less than a 10-minute walk from Falconwood Mainline station, making it ideal for commuters.

Overall, this home has been meticulously cared for by the current owners, making it move-in ready while still offering the opportunity to make it your own over time.
