This absolutely stunning character house really is very classy and whilst retaining all of its charm and character of its original build era of the 1930s has also been updated to a very high standard for modern day living. The heart of the house is the show stopping kitchen which has a high end finish and is open plan to the large dining room which is flooded with light from the bi fold doors and 2 velux windows. The rest of the accommodation includes a large lounge with grand fireplace and log burner, 3 good size bedrooms along with a bathroom and separate wc upstairs with cloakroom on the ground floor. The entrance hall features a large open fireplace and the house has all the original doors and matching handles and the entire ground floor is finished in engineered oak herringbone flooring. The outside is beautiful with a lovely wide garden with a side area featuring a covered dining and BBQ area complete with bar. To the front is a driveway. The development is extremely picturesque and peaceful and yet only minutes from Sidcup High Street and mainline train station. Step back in time in style.
