Located in a great position close by to Avery Hill Park and also New Eltham town centre is this detached bungalow with beautiful rear garden. Bungalows are in short supply in the area and detached ones even more so. The property has gas central heating and double glazing but would benefit from updating, we have listed the property as 3 bedrooms as it could easily be used this way or as 2 bedroom and 2 reception. This could be a perfect property for retirement, but also has great potential for extension to the rear and even in to the loft, this would be subject to planning but other properties have already made these changes. The garden is not overlooked and is in excellent shape and the property further benefits from a garage and private driveway. Offered to the market chain free.
