External

To the front of the property there is a spacious garden laid to lawn with patio seating area. A winding path accessed via the front pedestrian gate leads up to the front door of the property, the front garden is private and offers an additional space to enjoy the outdoors. To the rear is a well landscaped and low maintenance garden with Indian Stone paving and Astroturf lawn. There is plenty of space for seating and the outdoor swings are ideal for kids. The garden also boasts a large garden room with bifolding doors along both sides allowing the room to be completely opened up to the garden. The garden room offers great versatility, currently being used as a gym but has previously housed a hot tub, or it makes for a

great kids playroom. To the rear of the garden room is a store with shelving.

Additional Information

The property is fully networked and is currently controlled by Google Home, there is also a hard wired network throughout the entirety of the house, including the basement and garden room.
