- Brand new property
- Riverside location
- Available now
- Ideal for two professional sharers or family
- Pet friendly

The spacious townhouse is spread over three floors and has an impressive open plan kitchen, dining and living area, two bathrooms, three double bedrooms plus an additional reception room which could be used as a home office or to suit the occupiers' requirements. The bright and airy spaces are carefully designed to flood natural light into the property and combined with super-efficient integrated appliances creates a welcoming yet functional and flexible space.

The property would be ideal for two professional sharers or a family. Please note it isn't available to three or more sharers.

High levels of insulation, triple glazed windows and Mechanical Ventilation Heat Recovery (MVHR) are just some of the features which lower the heating demand in winter and keep the property cool during the summer. The property has unparalleled efficiency and makes it easy for occupiers to live sustainably and with a lower carbon footprint.

Smart Home technology allows you to control and monitor your heating from your phone and manage your energy consumption 24/7. The 'Home and Away' switch feature lets you save energy by turning off lights whilst you're out and about.

The brand new townhouse is offered furnished or unfurnished.

Residents benefit from the communal landscaped gardens of the pioneering Climate Innovation District. It's in an excellent location, with Leeds Dock, Brewery Wharf, the Calls and city centre within easy walking distance.
