We're pleased to offer the first chance to rent at this fantastic duplex apartment. The brand new property is offered unfurnished, or furnished for an extra cost.

This spacious duplex has south-west facing Juliet balconies, exposed services and concrete floors, giving luxurious and contemporary living, with an industrial aesthetic. The bright and airy open-plan design floods natural light into the property and combined with super-efficient integrated appliances creates a welcoming yet functional space. The two good sized bedrooms both have stylish ensuites.

High levels of insulation, triple glazed windows and Mechanical Ventilation Heat Recovery (MVHR) are just some of the features which lower the heating demand in winter and keep the property cool during the summer. District Lofts has unparalleled efficiency and makes it easy for occupiers to live sustainably and with a lower carbon footprint.

The property boasts its own patio area which is perfect for entertaining and watching the world go by. It's in an excellent location, with Leeds Dock, Brewery Wharf, the Calls and city centre all within easy walking distance. Residents have access to the lovely communal landscaped gardens of the Climate Innovation District and can also benefit from on-site amenities and community activities.

Property comes with one parking space at a cost of £120 per month.
