An exciting opportunity to purchase a well-sized five bedroom family home on an equally as impressive plot, that provides ample driveway parking. A principal en-suite as well as a bathroom on the first floor and shower room on the ground makes it an ideal home for any size family. The garage has been converted to add additional accomodation but can easily be reinstated. Viewing is a must to appreciate the full scope of the property.

The Property

You are welcomed into a spacious entrance, which allows access to the downstairs shower room and converted garage, whilst it also flows into a secondary hallway that leads to the kitchen/diner, lounge, fourth bedroom, and features a grand staircase ascending to the first floor.

The modern kitchen/diner features a sleek, handleless design with integrated waist-level electric double oven, five-ring electric hob, and an inset 1 ¼ stainless steel sink unit with mixer tap and drainer that overlooks the garden. A peninsula breakfast bar bridges the kitchen and dining area, which comfortably accommodates an 8-seater dining setup, with double doors opening out to the rear garden. A rear porch offers space for an American-style fridge freezer and further access to the garden. The separate lounge is generously proportioned, featuring a south-facing bay window and a multi-fuel open fireplace with a slate hearth and oak mantelpiece. The fifth bedroom on this floor offers flexibility, potentially doubling as a home office if required.

Upstairs, the first floor accommodates the remaining four bedrooms and a family bathroom. The principal bedroom is spacious and includes an en-suite shower room, which features a double shower unit with a glass sliding door, a wash hand basin set in a vanity unit, a close-coupled WC, and tiled floors and walls. Bedrooms two and three are also generous doubles, while bedroom four is a well-sized single. The family bathroom includes a single-panel bath unit, a pedestal-mounted wash hand basin, a close-coupled WC, and is partially tiled.

The converted garage offers potential for additional living spaces (building and planning restrictions may apply), as well as a utility room. The current configuration also offers a well sized storage area that uses the original double garage door.

Externally

The rear garden provides an ideal space for outdoor living, with easy access from the dining area and rear porch, making it perfect for family gatherings or quiet evenings. It is currently laid mainly to lawn, with a decked area adjoined by a pergolla as well as gravel patio, an established palm tree cleverly obscures the oil tank from sight. To the front a large front garden laid mainly to lawn accompanies by a generous driveway offering parking for a minimum of six cars, with the potential to add further parking on the lawn.

The Location

The village of Goonhavern which is set in a central location just a short drive from the main A30 giving easy access to all Cornwall has to offer, being just two miles from the glorious beach at Perranporth and within six miles of Crantock, Holywell Bay and the numerous beaches, bays and coves of Newquay and surrounding areas.

The village itself boasts a highly regarded primary school, its own village store/post office, barber, garden centre and the popular New Inn public house/restaurant located in the centre of the village.

There is also a traditional village show held each year featuring local produce, flower arrangements, arts, crafts and photography.
