# Welcome to Trevemper

---

Introducing an exciting new opportunity for shared ownership on the edge of sought-after Newquay.

These houses, built by AJL Limited, combine convenience with coastal living, only a short walk from Newquay Town Center, which boasts a range of shops, bars & restaurants, along with a selection of world famous beaches including the River Gannel.

With a hospital, supermarkets and schools, all the essentials are within easy access. You'll be well-connected to wider Cornwall and beyond with the train station and airport, and the A30 only a 15 minute drive away, making commuting and travel hassle-free.

If you're looking for an affordable way to own a new home in the surf capital of Cornwall, our shared ownership homes here may be the perfect stepping stone.

*Homes at Trevemper will be sold in accordance with Section 106 local connection and affordability requirements.*

# Shared Ownership

Shared ownership offers you another way to buy your own home. You'll buy an initial share, usually between 25% and 75%, of the home's value, and pay an affordable rent to Ocean Housing on the remainder.

Later, you can then choose to buy further shares in your home, and in most cases work towards 100% ownership.

If your household earns £80,000 or less a year, you are a first-time buyer, you once owned a home but cannot afford to buy one now or are a current shared owner looking to move-up the property ladder, then shared ownership could be the answer you're looking for.

*S106 restrictions apply.*

*Shared Ownership homes are sold as leasehold. Maximum Staircasing is scheme specific -*

*\*100% ownership may not be achievable on all developments.*

*As the shared owner, you will be responsible for maintenance and repairs to your home.*

For more information on shared ownership, please refer to our 'Guide to Shared Ownership'

# Connections

---

To be eligible for one of our homes, applicants must be able to demonstrate a local connection to the Town of Newquay or parishes of Colan, Crantock and Cubert in the first instance.
