A rare opportunity to acquire two converted period townhouses, each with a separate title, enjoying golf course and sea views and offering significant potential. The properties are currently operated as a house of multiple occupation together with three self-contained flats; however, subject to the necessary planning permissions and building regulations, they could lend themselves to a variety of uses. The property is being offered with vacant possession. Arranged over three floors each, the buildings could also be readily reinstated as two individual dwellings. Early viewing is highly recommended.
