Rules on letting this property

Properties can be let if they have an energy rating from A to E.
 You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/minimum-energy-efficiency-standards-for-rental-properties) <https://www.gov.uk/guidance/minimum-energy-efficiency-standards-for-rental-properties>

Energy rating and score

This property's energy rating is D. It has the potential to be B.
 See how to [improve this property's energy efficiency](#)

The graph shows this property's current and potential energy rating.
 Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

- For properties in England and Wales:
- the average energy rating is D
 - the average energy score is 60
